

How to Register for a Referee Course

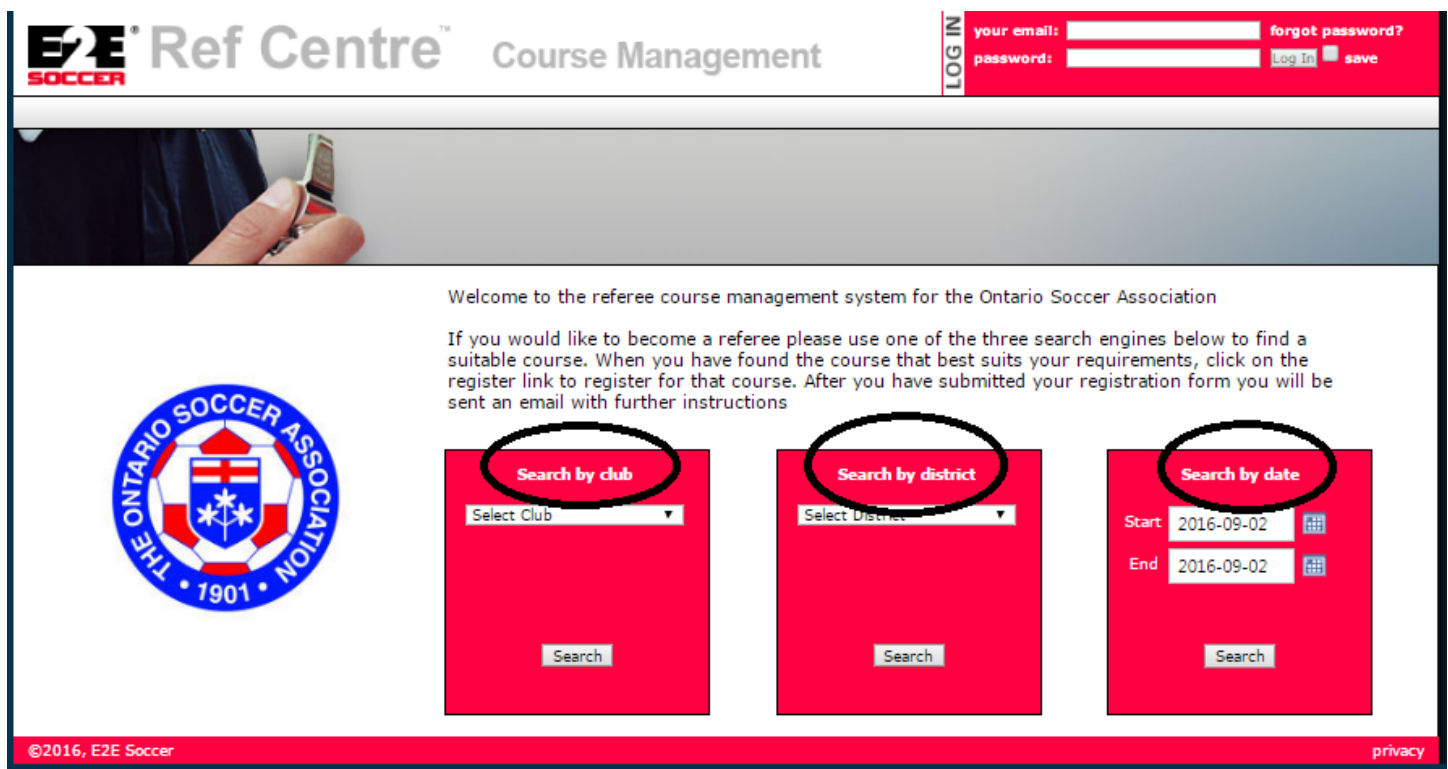

1. Visit the website www.refcentre.com/ontario

2. Search for a course

You have the option to search by Club, District or Date

Searching by:

A. Club – a list of soccer clubs within the province of Ontario will be listed. This is a good search option to use if you know that your local club is hosting a course and you wish to register for it.

B. District – The 21 districts within the province of Ontario will be listed on the drop down menu. This is a good search option to use if you know that you would like to attend a course within a certain geographic location. For example, if you live in Mississauga, then you may select the “Peel Halton” district from the drop down menu to populate a list of all courses being held in this district.

C. Date – This search option allows you to search for a course held in between two specific dates. This is a good search option if you know that you are only available for certain times during the course season or, if you would like to list every single course being held in the province. If you would like to list every course being held in the province simply set the “Start Date” as February 1st and the “End Date” as June 1st. After setting these dates click “search” and a list of all courses will be populated on your screen.

3. View Courses

After clicking “Search” you will be brought to the following page (see below). The page itself will look a bit different as it will be populated with courses. At the time that this document was created there were no courses being held, thus, there are no courses listed.

While on this screen you can:

A. Select the date range that you would like to view.

The screenshot shows the E2E Ref Centre Course Management interface. At the top left is the logo for E2E Soccer. The main header reads "E2E Ref Centre Course Management". On the top right, there is a "LOG IN" section with fields for "your email:" and "password:", a "forgot password?" link, and "Log In" and "save" buttons. Below the header, there is a search area with "Start" and "End" date pickers. The "Start" date is set to "2016-09-02" and the "End" date is set to "2016-12-28". To the right of these is a dropdown menu currently set to "All courses". Below the search area, there is a table with columns: #, Host, Type, Start date, End date, Sessions, City, Session, Cost, Status, and Places available. Below the table, there are sections for "Pending courses" and "Cancelled courses", each with its own table structure. At the bottom, there is a red footer with "©2016, E2E Soccer" on the left and "privacy" on the right.

B. Filter the list of courses to show "All courses", only "Entry Level Courses" or only "Small Sided Courses".

This screenshot is similar to the one above, but the dropdown menu for course filtering is open. The dropdown menu is circled and shows four options: "All courses" (selected), "All courses", "Entry Level only", and "Small Sided only". The rest of the interface, including the date pickers and tables, remains the same as in the previous screenshot.

There will be three lists of courses.

A. Available Courses – These are courses that have been approved by The OSA which you may register for.

B. Pending Courses – These are courses that will likely be approved in the near future however The OSA is still waiting for payment from the host. Once approved these course will be moved to “Available Courses” and you will be able to register for them. Check back regularly to see if these courses have been approved.

C. Cancelled Courses – These are courses that have been cancelled by either the hosts or The OSA.

Explanation of the column header.

A. **#** - This is the course number. By hovering your mouse over this blue number you will be able to view more details about the course including the host contact information.

B. **Host** – This is the group, club, district etc. that will be holding the course.

C. **Start Date** – The day on which the course will begin.

D. **End Date** – The day on which the course will end.

*Please note that Entry Level courses are 16 hours in length spread over 2 or 3 days. Each course is unique and the number of days over which the course is spread is usually based on facility availability.

E. **Sessions** – The number of sessions that will be held on the course days (in class and on field).

F. **City** – The city in which the course will take place.

G. **Session** – How many sessions will make up the course.

H. **Cost** – The course registration fee.

*Entry Level courses are more expensive than small sided courses because these courses offer 16 hours of instruction as opposed to 8 for a small sided course. Hosts set the registration cost for their own courses and some clubs choose to subsidize the cost of their courses while other do not.

I. **Status** – Will inform you if the course is “Approved”, “Pending”, or “Cancelled”

J **Places Available** – States the number of spots left in the course. There are only 25 spots per course so it is suggested that you register as soon as possible to avoid disappointment. Please note that no more than 25 students will be permitted to register for a course without exception. If a course is full you can contact the host (**NOT The OSA**) and asked to be placed on a waiting list.

4. Registering for a Course

Once you have chosen a specific course that you wish to register for simply click the blue “Register” button to the right of the course.

Do NOT register for a course if you cannot attend it in its entirety. In order to graduate, students must attend the entire 16 hours (Entry Level) 8 Hours (Small Sided). Students **CANNOT** graduate unless they have attended the ENTIRE COURSE. **NO EXCEPTIONS WILL BE MADE.** Even if you miss only 1 hour of the course you will NOT be able to graduate. You may NOT attend another course to make up for time missed. All 16/8 hours must be completed without exception.

The screenshot shows a web interface for registering for futsal courses. At the top, there are three dropdown menus: "All Districts", "All Futsal courses", and "Future courses only". Below them is a link: "Click on course number to view full details on a course".

#	City	Type	Start date	End date	Sessions	Host	Cost	Status	Private	Places Avail	
1395	Concord	Futsal Entry Level	Sep 17, 2016	Sep 18, 2016	2	York	0.00	Approved	Y	8	Register
1396	Nepean	Futsal Entry Level	Sep 17, 2016	Sep 18, 2016	2	OFC	100.00	Approved	N	16	Register
1397	Gloucester, Ontario	Futsal Entry Level	Oct 01, 2016	Oct 02, 2016	2	OSU	60.00	Approved	Y	14	Register

Below the table, there is a note: "If a course is full please return later in case of a cancellation from another student".

There are sections for "Pending courses" and "Cancelled courses", each with a table header. The "Pending courses" section includes a note: "Pending courses still require approval before you can register for them. Please come back in a few days to see if the course has been approved".

A red circle highlights the "Register" button for course 1395, and a red arrow points to it from the right.

At the bottom right, there is a "privacy" link.

Sometimes courses are “Private” and after clicking the “Register” button a box will appear on your screen asking for a registration code. Private courses are sometimes set up by hosts to ensure that referees within their clubs or districts are the ones who register. If a club requires a certain number of new referees to help officiate their games in the upcoming season, then they want to ensure that the registrants are local. If the course was made up of students from other regions in Ontario, then the host may not be able to use these referees for their games during the season.

In order to obtain the registration code simply contact the course host (NOT The OSA). You can obtain the course host contact information by hovering your cursor over the blue course number to the left of the course.

The screenshot shows the same course registration interface as above. A modal dialog box is open, displaying the message: "York course # 1395 is a private course, you have to enter the code to register".

The dialog box contains a text input field labeled "Code:" and two buttons: "Cancel" and "Submit".

Red circles highlight the course number "1395" in the table and the modal dialog box.

If the course is "Open" and not "Private" then this box will not appear on your screen and you will be brought to a page that allows you to continue with the registration process. On this page you will find all the course information summarized. If you have any further questions specifically about the course the "Host Contact" is the best individual to direct your question to.

This page will also explain "How to Pay" for the course. Please note that all transactions are done directly with the host and NOT The OSA. All payment concerns should be directed to the "Host Contact".

Common Issues.

A. You have registered for a small sided course in the past and are now registering for an Entry Level Course or vice versa.
RefCentre does NOT allow you to merge these two accounts. If you take both a Small Sided and an Entry Level course you will have two RefCentre accounts with DIFFERENT passwords as well as two OSA Registration Numbers. When registering for these courses please write down your two separate passwords. Your two accounts may use the SAME email address however, RefCentre will NOT allow you to use the same password for both accounts. Moving forward, if you wish to sign into one of your accounts you will need to use the specific password/email combination that you created.

B. Siblings signing up for the same course

Siblings often sign up to take the same course and use the same email to register. While there is no issue in using the same email for both RefCentre accounts please note that DIFFERENT passwords must be created. Please write down the separate passwords created for your records. Moving forward, to sign into the specific accounts you will need to use the specific password/email combination that you created.

C. Cannot attend the entire duration of the course.

Do NOT register for a course if you cannot attend it in its entirety. In order to graduate students must attend the entire 16 hours (Entry Level) 8 Hours (Small Sided). Students CANNOT graduate unless they have attended the ENTIRE COURSE. No EXCEPTIONS WILL BE MADE. Even if you miss only 1 hour of the course you will NOT be able to graduate. You may NOT attend another course to make up for time missed. All 16/8 hours must be completed without exceptions.

D. I was ill/I had an unexpected event occur that did not allow me to attend the full duration of my course.

Students CANNOT graduate unless they have attended the ENTIRE DURATION of a COURSE. No EXCEPTIONS WILL BE MADE. Even if you miss only 1 hour of the course you will NOT be able to graduate. You may NOT attend another course to make up for time missed. All 16/8 hours must be completed without exceptions.

E. I have a financial issue.

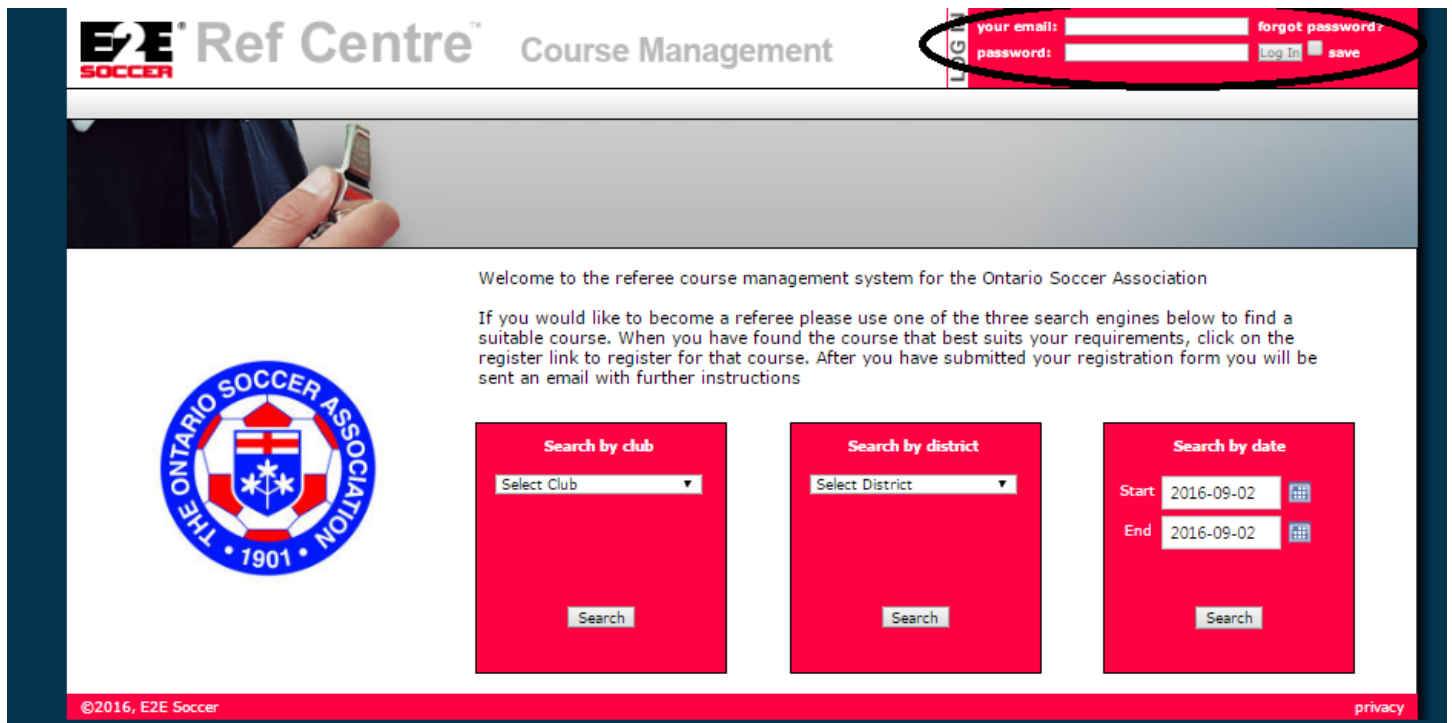

*All financial issues/concerns should be directed to the **Course Host**. You can find their contact information within your RefCentre account.*

F. The course I want to register for is full.

There are only 25 spots in each course. Once a course has reached its registration capacity it is FULL and no other students may register. Students will not be added to the class list. Do not attend the course hoping to be added to the class list at a later time as no exceptions will be made to this rule.

Logging into your RefCentre Account

Simply visit www.refcentre.com/ontario and login using the email/password combination that you created when registering for a course.

The screenshot shows the RefCentre Course Management website. At the top left is the E2E Soccer logo. The main header reads "Ref Centre Course Management". On the right, there is a login form with fields for "your email:" and "password:", a "forgot password:" link, and "Log In" and "save" buttons. Below the header is a banner image of a hand holding a smartphone. The main content area features the Ontario Soccer Association logo on the left and a welcome message: "Welcome to the referee course management system for the Ontario Soccer Association. If you would like to become a referee please use one of the three search engines below to find a suitable course. When you have found the course that best suits your requirements, click on the register link to register for that course. After you have submitted your registration form you will be sent an email with further instructions." There are three search boxes: "Search by club" with a "Select Club" dropdown, "Search by district" with a "Select District" dropdown, and "Search by date" with "Start" and "End" date pickers (both set to 2016-09-02) and a "Search" button. The footer contains "©2016, E2E Soccer" and a "privacy" link.
