

The SUFC Executive Committee is pleased to announce that at our Annual General Meeting on Monday, November 7th, 2016, our House League, Local League and Competitive (Rep) Programs will now be under the direction of one United Executive Committee. Our Club will be officially known as **Strathroy United FC**.

As the leader of Soccer Development in our community we pledge our continued commitment to enabling your success and delivering a strong grass roots program for all ages, all skill sets, and all of our member's needs from U3 to Adult.

We plan to provide end-to-end integrated growth solutions by combining the skill sets of all our members to further the development of Officials, Coaches and Players within the community. Our combination creates the largest and most comprehensive Soccer offering in the Community of Strathroy-Caradoc. Over 1000 players, 70 officials, and 175 coaches are under our umbrella.

For Strathroy United FC, it will always be about our membership. Our goal is membership satisfaction. We are dedicated to increasing the quality of our programs you have come to expect from SUFC without interruption.
